## **Tips**

We suggest you bring flip flops or sandals as we have tiled or wooden floors in the house and a gravel area in the garden.

The weather in France is mostly warm or hot, however it does occasionally rain therefore light weight waterproof jackets should be sufficient.

## **Miscellaneous Box**

We have a box of items you can use if you are caught short, items in this box may vary.

These items must be replaced when used. Sample of contents include..

Basic First Aid

Shampoo

Shower gel
